Experience

Associate Architect
- Accubits Technologies
- 2022 - Present

Sr Software Engineer
- Qburst Technologies
- 2018 - 2022

CEO | Tech Lead
- Catlog systems
- 2015 - 2018

Lead Robotics Intern
- Accubits Technology
- 2017 - 2018

Full Stack Developer
- Freelance
- 2012 - 2015

Computer Technician
- Smart computers
- 2010 - 2012

Education

MBA
- Manipal University
- 2021 - Present

TEQIP - Robotics
- IIT Kanpur
- 2017 - 2017

B.Tech - IT
- University of Calicut
- 2014 - 2018

Techical HSS & SS
- IHRD
- 2008 - 2012

Primary Education
- CBSE
- 1999 - 2008

13 Projects As Engineer	10 Projects As lead	5 Projects As Architect

Core proficiencies

- Full life cycle development
- Budgetery oversight and Management
- Resource forcasting and Team building
- Risk Analysis
- Process planning
- Technical leadership
- Object oriented technologies
- Product Management
- Application Development
- Software Analysis and Design
- Change management
- Technical and strategic planning

Technolgies

Blockchain	Full Stack	Distributed systems
Fintech	DevSecOps	UI/UX
Data science	Cloud	Robotics
Data Engineering	IoT	Cyber security

Certifications

Blockchain	Cyber security
Data science	Business & Finance
IoT	Robotics
Architecture & Design	Mobile Apps

Programming languages

Python   JS   Java   Golang

Storage

Database   Cache   Object   Archives

Key projects

ESG Ecosystem	AI based parser	E commerce platform	4 legged Robot
Card management system	ETL for health app	Ticketing platform	Audio and ML
ACH management system	Fitness App	Deeplearning for Robot navigation	Transportion and IoT
NeoBanking	Medical Ecosystem	Chatbot	IoT and Deep learning

Achievements

Lead a team of 72	Athlet awards
Innovations awards	Top student awards
Hackathon awards	Build teams
Young engineer award	Build organisations

Hobbies & Interests

Entreprenaurship	Reading
Stratergy games	Movies and Series
Gym and Fitness	Automobile and Tech
Football and Volley	Networking and Travel

Communication languages

English   Malayalam
